

Girl get it involved with me
Get involved with me
Girl get it involved with me
Get involved with me
Girl get it involved with me
Get involved with me
You know my M.O. girl, it's Timbo
Get dough and I stay on my grind
You say that you ain't leavin' with me tonight
Then why you keep givin' me the eye?
A little convo, you'll be ready to go
I bet that I, I could make you mine
I'll beat on your drum, bump, bump, get you off
I bet that I could beat it right
Get down, get down, come on, come on
Girl, girl get involved with me
Get down, get down, come on, come on
Girl, girl get involved with me
Get down, get down, come on, come on
Girl, girl get involved with me
Get down, get down, come on, come on
Girl, girl get involved with me
Girl get it involved with me
Get involved with me
Girl get it involved with me
Get involved with me
Girl get it involved with me
Get involved with me
Girl get it involved with me
Get involved with me
Girl get it involved with me
Get involved with me
Girl get it involved with me
Get involved with me
Girl get it involved with me
Get involved with me
Girl get it involved with me
Get involved with me
Girl get it involved with me
Get involved with me
Man, you know you wanna get it bald
Tryn'a get up in my sugar walls
T-t-take my clothes off
Ride that pony like, "Woo-ha"
Yeah, you know I'm a fri-di-leak, leak
Heavy D twidity didi-di-di
Ain't no chick be flyer than me

My lumps so big see 'em in 3D
 Hop in the the track like skir-der-de-der
 Timbaland did the beat, yidi-yet-yer
 Ginuwine back like, yidi-yet-yer
 Can't nobody top that thur
 Well, it takes two to make a thing go right
 Here comes baby with me all night
 You should know what a real chick likes
 Get involved, well I just might
 Girl get involved, involved
 Girl get involved, involved
 Girl get involved, involved
 Girl get involved, involved
 Get down, get down, come on, come on
 Girl, girl get involved with me
 Get down, get down, come on, come on
 Girl, girl get involved with me
 Get down, get down, come on, come on
 Girl, girl get involved with me
 Get down, get down, come on, come on
 Girl, girl get involved with me
 Girl get it involved with me
 Get involved with me
 Girl get it involved with me
 Get involved with me
 Girl get it involved with me
 Get involved with me
 Girl get it involved with me
 Get involved with me
 Girl get it involved with me
 Get involved with me
 Girl get it involved with me
 Get involved with me
 Girl get it involved with me
 Get involved with me
 Girl get it involved with me
 Get involved with me
