Twist

Souvenirs

will you wonder
by the fall
will you wonder
was I here at all
look at me, now
look at you slipping through
my fingers all I'm trying to hold on to
wait a minute
wait a year
I've waited so long
for you to be here

can I have Souvenir?
so I'll remember I was here
I don't want to see you fade away

in the morning
in your skin
listen to the bloodbeat
we were swimming in
in the morning
from now on
will you notice
how long I've been gone

can I have Souvenir?
so I'll remember I was here
I don't want to see you fade away

can't see you what we've become?
and I don't know where we went wrong
but I don't want to see you fade away
