

Rings of Steel (Atom H Mix)

Die Krupps

3 rings to symbolize
A new direction for your life
The truth the beautiful and the good
Are the things for which we strive No one can melt them
The rings of steel
No one can bend them
No one can break them The rings of steel
3 rings to symbolize
A new era on the rise
Strength beauty and belief Are the ideals to achieve
3 rings to symbolize
A new era on the rise
Strength beauty and belief Are the ideals to achieve
No one can melt them
The rings of steel
No one can bend them No one can break them
The rings of steel
Paint the 3 rings on your flag
Burn the 3 rings into your flesh Keep the 3 rings in your heart
Hail hail to the rings of steel
