

The Girl From New York City

Beach Boys

She came out with her best friend
For the summer in L. A.
They took a spot and plopped down on the beach
Well, you find them there every day
And I said, California guys all can't peel their eyes
From that girl from New York City
And L.A. boys, all heard the noise
About that girl from New York City
We'll turn 'em on with all the things
That will be happening night and day
We'll show them such a groovy time
That they'll both be decidin' to stay

And let me say, the California guys all can't peel their eyes
From that girl from New York City
The L.A. boys, all heard the noise
About that girl from New York City
California guys all can't peel their eyes
From that girl from New York City
The L.A. boys, all heard the noise
About that girl from New York City
California guys all can't peel their eyes
From that girl from New York City
The L.A. boys, all heard the noise
About that girl from New York City
