

# Expressway to Yr. Skull

## Sonic Youth

We're gonna kill the California girls  
We're gonna fire the exploding load  
In the milkmaid maidenhead We're gonna find the meaning of feeling good  
And we're gonna stay there  
As long as we think we should Mystery train  
Three way plane  
Expressway to your skull Mystery train  
Three way plane  
Expressway to your skull
