

# Tell Me What We're Gonna Do Now

Joss Stone

[Common]  
Yes, we have arrived  
Joss Stone, Common  
Uh huh  
It's for the world, world, world, world  
Uh[Joss Stone]  
You don't have to make your mind up  
I just wanna take my time with you  
(Yeah)  
If that's alright  
It's alright, it's alright  
Oh, forgive me if I get to shy, but  
Maybe you're the reason why  
I'm feelin' butterflies  
(I feel it too)  
Somethin' 'bout the look in your eyes  
Oh, it just makes me feel so right[Chorus:]  
Well, you're my boy  
You're my joy  
You're my dream  
I'm for ya  
I adore ya  
You're everything that I need  
I love how you love me  
If I'm made for you  
You're made for me  
It's too good to be  
So tell me what we're gonna do now Funny how my world keeps spinnin'  
Sometimes you can be so silly  
You know just how to make me laugh  
Yeah  
Oh, you're skin is so lovely  
When you touch me  
I know that you got my back  
(Sure do; yes, I do)  
I feel so safe when you hold me  
It's already like you know me[Chorus]Oh, right now  
See, baby, I love how you make me smile  
Don't leave

Please stay awhile  
Let's make this happen  
I don't care how[Common]  
Right now, let's stay in the present  
Can't worry 'bout tomorrow 'cause today is a blessin'  
The world in a state of aggression  
I find calm in you  
I see my mom in you  
It's like a feelin' in a nigga's stomach  
When you want it so bad  
If you keep keepin' it fresh  
It ain't gonna go bad  
I been through the valley of love  
Rolled the shores of Cali  
Just to find peace of mind  
Lookin' to the sky  
Askin' for at least a sign  
Beautiful, you came at such a decent time  
When we combine  
It's like good food and wine  
Flavorful yet refined  
You remind me of the divine  
So easy  
Love can be lost and then found, like Stevie  
I just love havin' you around  
You wearin' a gown  
I'm wearin' a crown  
Pound for pound  
We the freshest couple in town Well, you're my boy  
You're my joy  
You're my dream  
I'm for ya  
I adore ya  
You're everything that I need  
I love how you love me  
If I'm made for you  
You're made for me  
It's too good to be  
Tell me what we're gonna do  
Tell me what we're gonna do now
