Better Today (Wedding Song) [Acoustic]

Coffey Anderson

To see your face, to hear your voice
And oh, to touch you is a dream come true
So I'm standing here, with my hand held out
Knowing that your love will never fade, I stand amazed without a doubt
And I wanna hear your voice, in the morning when I rise
I think I know I'm just a normal man, only made of sand except when you're by my side
Will you love me, teach me, don't leave me I pray
And when I, and I'm thinking of the times
Your hands in mine, together we will stay
You made me better today
Better than I was before
And now my heart can rest and I will search no more
You made me better today, today, today
My heart has wings
Oh you take me away
And every prayer I've ever prayed was answered today
So I'm standing here, with my hand held out
Knowing that my love will never leave
My hearts on my sleeve and now I believe
And I wanna hear your voice in the morning when I rise
I think I know I'm just a normal man, only made of sand except when you're by my side
Will you love me, teach me, don't leave me I pray
And when I, and I'm thinking of the times
Your hands in mine, together we will stay
You made me better today
Better than I was before
And now my heart can rest and I will search no more
You made me better today
I stand proclaimed, true love is here to stay
I stand proclaimed, forever starts today
Today...
You made me better today
Than I was before
And now my heart can rest and I will search no more
Cuz you made me better today, than I was before
And now my heart can rest
And I will search no more
You made me better today
Today...

Made me better today.
