

# Smash into You

Beyoncé©

Head down as i watch my feet  
take turns hitting the ground  
i should find myself in love  
racing the earth and I'm something  
you love and love was right in my path  
in my grasp and he and you belong

I want to run (run)  
and smash into you  
i want to run(run)  
and smash into you  
ears closed what i hear  
no one else has to know  
Cause i know that what we have  
is worth first place in gold  
and I'm soaked in your love  
and love is right in my path  
in my grasp and me and you  
belong

i want to run(run)  
Smash into you  
i want to run(run)  
Smash into you  
Smash in you Ooooo  
Oooooooo Oooooo

Head down as i watch my feet  
take turns hitting the ground  
I should I'm in love and I'm racing  
the earth I'm soaked in your love  
And love is right in my path  
in my grasp and me and you belong

I want to run  
Smash into you  
I'm willing to run  
Smash into you  
I'm willing to Run Run Run  
Run Ru Ooooo

Im willing to Run Run  
Run Run Ru Ooooo

I want to run(run)  
smash into you  
I'm willing to run(run)  
Smash into you
