Clockwork Mary

W.a.s.p.

Welcome my friends to paradise
I know sorrows you hide
Closer to my light are you sad ma'am?
Do I know your face, mother mineOh mamma, where you gone ?
Now come claim me your son
I'm the broken piece of your lifeOh and mama why'd you come?
Fall before me say I'm your one
Oh, you gave but taken my lifeWas I born in your sin or Mary's lie?
'Cause I know all that you hide
Come closer am I blind oh to your madness
Here in your naked grace, mother why?Oh mama, where you gone?
Now come claim me your son
I'm the broken piece of your lifeOh and mama why'd you come?
Fall before me say I'm your one
Oh, you gave but taken my lifeI'll kill the beast so to free my soul
And smash the tears that never let me go
Oh, if there's a smile you see
It's only the clockwork orange that's in meI curse the darkness impassioned plea
And tear the heart out and watch me bleed
I'll sacrifice my blood for free
To satisfy the vengeance in meOh, all I need was someone to love me
Oh all I needed was one
There's no one who cares
