

Youth Against Fascism (hate Song)

Sonic Youth

Another can of worms
Another stomach turns
Yeah, your ghetto burns
It's the song I hate
It's the song I hate
You got a stupid man
You got a Ku Klux Klan
Your fuckin' battle plan
It's the song I hate
It's the song I hate
A siege heilin' squirt
You're an impotent jerk
Yeah a fascist twerp
It's the song I hate
It's the song I hate
Black robe and swill
I believe Anita Hill
Judge will rot in hell
It's the song I hate
It's the song I hate
Yeah, a cross on fire
By a Christian liar
A black attack on fire
It's the song I hate
It's the song I hate
Yeah, the President sucks
He's a war pig fuck
His shit is out of luck

It's the song I hate
It's the song I hate
Another Nazi attack
A skinhead is cracked
And my blood is black
It's the song I hate
It's the song I hate
We're banging pots and pans
To make you understand
We gonna bury you man

It's the song I hate
It's the song I hate
I'm a human wreck
A redneck in check
I killed the teacher's pet

It's the song I hate
It's the song I hate
It's the song I hate
It's the song I hate
It's the song I hate
It's the song I hate
It's the song I hate
It's the song I hate
It's the song I hate
It's the song I hate
It's the song I hate
It's the song I hate
It's the song I hate
