

# Purpose in Your Storm

Michelle Williams

## VERSE 1

You can make it, stop complaining  
There's a purpose for your life  
Mama's been where you goin'...it's gonna  
be alright

He'll never put more on you than you can bear  
It's temporary, it's gonna get better  
Yes it will

## CHORUS

There is a light that's shinin'  
And soon the dawn will come  
You'll find a purpose  
Purpose in your storm  
Soon you'll discover, peace like a river when the  
rain clouds form  
you'll find your purpose, purpose in your storm

## VERSE 2:

Mark my word  
Keep on livin'  
I must have heard this a thousand times  
Daddy told me things will happen  
Go on ahead and cry  
Whoever said it would be easy  
walk'n the street called life  
You can make it, you'll survive it  
yes you will
