

Taking Chances

[Abra Moore](#)

I'm taking chances
I wear my heart on my sleeve
I wonder slide, slide under the big sky
Who's gonna take care of me? I'm not sure if I really want to
I'm not sure what it all means
I just want somebody to talk to
Talk to me? I'm taking chances
And I'm talking carelessly
And I am walking backwards into the future
This world is getting too deep And I'm not sure if I really want to
I'm not sure what this all means
I just want somebody to hold on
Hold me I keep fallin', I keep fallin' and I keep fallin'
And I keep tumbling under the deep, deep
All I can do now is give up the whole thing I'm not sure if I really want to
And I'm not sure what this all means, anymore
I'm taking chances
I'm taking chances I'm taking chances
I'm taking chances
I'm taking chances
