Antisocial

The Briefs

starin at the ceiling
i don't think about nothin
don't care about you
i got no use for feelings
cause enough is enough
and i'm just about throughi'm antisocial today
i'm antisocial ok
i'm antisocial so what
i'm antisocial it's all that i gotso i'm out of the seat(?)
and i watch all the creeps look at me
like its me thats all wrong
but when its all said and done
theyre only stuck at square one
thats ok cause thats where they belongi'm antisocial alright
i'm antisocial tonight
i'm antisocial so great
i'm antisocial it's you that i hate
whoa, whoa yeahi said i like it much better, yeah,
when your not therestarin at the ceiling
i don't think about nothin
don't care about you
im tired of all these feelings
cause enough is enough
and i'm just about throughi'm antisocial ok
i'm antisocial today
i'm antisocial so what
i'm antisocial it's all that i got
whoa, whoa yeahi said i like it much better, yeah,
when you're not therei'm antisocial [x4]
