Bloodstone

Cedric Burnside Project

I've been trying, there's no denying
It's sending me out of my mind
I've seen reason change to treason
It's losing it's sense of all kindHow much longer will it take
For the world to see?
We should learn to live
And simply let it beBloodstone
Bloodstone
Bloodstone
BloodstoneIn the night time, wake in fright
I'm so scared of the game that's being played
Start to wonder what's going under
And how many deals have been madeHow much longer will it take
For the world to see?
We should learn to live
And simply let it beBloodstone
Bloodstone
Bloodstone
BloodstoneBloodstone
Bloodstone
Bloodstone
BloodstoneBloodstone
Bloodstone
Bloodstone
BloodstoneBloodstone
(I can't take it)
Bloodstone
(You got me living on a)
Bloodstone
(I don't want that that)
Bloodstone
