

Money (Radio Mix)

KMFDM

One for the money, two for the show
Three to get ready now go, kids, go
Now go, kids, go I went to school for six years
But I never graduated
'Cause my parents were poor
Now I'm undereducated Like so many others
All over the nation
'Cause the government is saving
On public education I am thirty, male
Call me white trash
Standing in line
With my pockets full of cash It was payday today
And I am gonna spend money
On a bottle of booze
To bring home for my honey One for the money, two for the show
Three to get ready now go, kids, go
Now go, kids, go, now go, kids, go
Now go, kids, go, now go, kids, go My future's all set
I am a part of the gang
I make money on the street
Any time I can I sell drugs to the kids
'Cause that's what pays
I make a couple of hundreds
In just one day You see my Vette in the drive?
At home, I got a Benz
I like speeding on the highway
Bribe a cop with a grand Do you need a woman, a bitch
With a bust forty-two?
Just let me know, got one for you One for the money, two for the show
Three to get ready now go, kids, go
