

Mouth On a Stick

U.K. Subs

Queen of the pinups.
That's what you are.
I get so excited.
There you go.
The sisterhood of fantasy.
So you tell me.
You spread your magic just like a disease.
You're a mouth on a stick.
You're a mouth on a stick.You're talking loud.
You're saying nothing.
You're so proud of you're surface values.
Well I don't mind your blind ambitions
Kiss ass.
Not getting bitter.
You're a mouth on a stick.
You're a mouth on a stick.You're a mouth on a stick.
You're a mouth on a stick.
