All I Do

The Derek Trucks Band

Verse 1: You left me moaning at your back door
Your dog is barking now, back for more
Took everyday yeah, and every night
You know the mood is gonna fit ya
The feeling's gonna make it all right
Verse 2: I'm talking power failure and what about you
Women want a man, act a fool
Make it up to you, in due time
Till the mood is gonna fit you
The feeling's gonna make it all right(Derek Solo)Chorus: All I do, all I do is sing about you
All I do, every morning and night
Till the mood is gonna fit you

The feeling's gonna make it all right(break)Verse 3: You left me moaning at your back door
Your dog was barking now, back for more
Took everyday yeah and every night
You know the mood is gonna fit ya
The feeling's gonna make it all right, all right
Chorus: All I do, all I do is sing about you
All I do, every morning and night
Till the mood is gonna fit you
The feeling's gonna make it all right
Outro: All I do, all I do is think about you
All I do is all I do
All I do all I do is think about you
All I do is all I do
