

# All For The Love Of Rock & Roll

## Kiss

Yeah, yeah  
I was just another child going wild in the city  
Just gettin' by on a dream  
I was thinking life was gonna be so pretty,  
It was pretty mean  
Yeah I hit the road with no expectations  
Just sleeping where I'd been  
I didn't care about the fame or the money  
Show me a place to play and I'm gonna go 'Cause it's all for the love of rock and roll  
In my music, in the air, and I'm losing control  
I don't care what you heard, I don't care what you're told  
'Cause it's all for the love of rock and roll I hitched a ride on a trip going nowhere  
Got fifty bucks in a fight  
Ain't a lot you know when it's over  
You know the feeling, well it feels alright, alright When you're finished with the band and some honey grabs  
your hand, yeah  
You get to thinking you might  
That's when you notice there's a ring on her finger  
That's when she tells you that she's single tonight Well it's all for the love of rock and roll  
In my music, in the air, and I'm losing control  
I don't care what you heard, I don't care what you're told  
'Cause it's all for the love of rock and roll I've got it made when I hit the stage at quarter to nine (yeah)  
Watch them dancin' in the haze and the band's really pumping  
You feel the rush and that's all it's about  
I'm in for life and there's no getting out of the way Yeah  
All I want...  
All I need... Yeah, 'cause it's all for the love of rock and roll  
In my music, in the air, and I'm losing control  
I don't care what you heard, I don't care what you're told  
'Cause it's all for my love of rock and roll  
All for my love of rock and roll...
