

# Down For You (part 2)

## Jhene

[Intro Hook]I'll be down 4 u baby  
I'ma ride for u baby  
I will be the one u need  
I'll do anything u want me to

[Lil' Fizz Rap]Sexy abs, with your hips to match  
Apple bottom jeans wit your lil Gucci backpack  
Don't stand there, admire my mac tac  
Gift of gab, I never lacked that  
In fact, when I whisper in your ears  
I see your skin bump up  
And the hairs on your arms jump up  
I get the same feeling girl when I'm by your side  
And when we kiss girl our souls collide  
I can provide whatever you need  
Just holla girl

[1st Verse]Know how you got me on the line  
But I can't stop thinking all the time  
Boy where u be  
Wanna be around u constantly  
Give me that  
No can't stand to go feelin  
Before I'm even out the door baby  
I wanna keep you there with me  
I'm that chick  
What - no doubt  
I'm that chick  
Up or down

Don't even gotta say a thing  
Cause I'll be down

[Hook]I'll be down 4 u baby  
I'ma ride for u baby  
I will be the one u need  
Give u anything u want  
I'll be down 4 u baby  
I'ma ride for u baby  
I will be the one u need  
I'll do anything u want me to

[2nd Verse]Oow what u bet

I'll never let  
Nobody else ever think they could come between  
What we got between u and me  
Cause baby boo u got it like that  
And ain't no way I'm holdin it back no  
Cause now I got u  
And if feels good now to be with u  
[B Verse][Hook][Lil Fizz Rap]I ain't tryin to get in your drawers  
I'm a gentleman, I open doors  
I'm ready and willin to give u more  
Than the dude u was with before
