Ugly Custard

I'm sleeping, sleeping to encompass myself
I wake up, wake up then distribute what's leftWith my anger well diffused
The link to love I now may choose
With my heart no more abused
The link of love I now may useI'm sleeping, sleeping to develop myself
I wake up, wake up then relinquish what's leftWith my anger well diffused
The link to love I now may choose
With my heart no more abused
The link of love I now may useWell I was caught by your lies spinnin'
Then was saved by truth's opinion
All's quiet nowWith my anger well diffused
The link to love I now may choose
With my heart no more abused
The link of love I now may useWith my anger well diffused
The link to love I now may choose
With my heart no more abused
The link of love I now may useThe link to love I may choose
The link of love I may use
