## Ugly Custard

I'm sleeping, sleeping to encompass myself  
I wake up, wake up then distribute what's left  
With my anger well diffused  
The link to love I now may choose  
With my heart no more abused  
The link of love I now may use  
I'm sleeping, sleeping to develop myself  
I wake up, wake up then relinquish what's left  
With my anger well diffused  
The link to love I now may choose  
With my heart no more abused  
The link of love I now may use  
Well I was caught by your lies spinnin'  
Then was saved by truth's opinion  
All's quiet now  
With my anger well diffused  
The link to love I now may choose  
With my heart no more abused  
The link of love I now may use  
With my anger well diffused  
The link to love I now may choose  
With my heart no more abused  
The link of love I now may use  
The link to love I may choose  
The link of love I may use
