

Give Me the World

The Sweetest Condition

There comes a time when you're tired of listening
living someone else's fate.
There comes a time when you're tired of moving,
but you want to leave this place! I'm
gonna leave
this town! Don't take my hand
just 'cause you can.
My silhouette's a
marionette. Don't spin me 'round;
I'll stand my ground.
I don't belong
in this love song. I don't remember how I found you.
How did I get here, anyway?
You came in when I wasn't looking,
Trying like Hell to save the day! I'm gonna wear you down!
I'm gonna wear you.
I'm gonna wear you ... DOWN! Please don't say
I'm a lucky girl.
I give you an inch, and
you give me the world.
Give me the world. My gloves are off;
my boots are on.
I can't sing
another love song! Give me the world.
My gloves are off;
my boots are on.
I can't sing
another love song! Give me the world.
My gloves are off
my boots are on.
I can't sing
another love song! You come in,
I walk out.
Time to take the
higher route. Doesn't matter what you want.
Doesn't matter what you need.
I can see the sandman dreaming,
freeing me.
