

Kick Out the Jams

The Presidents of the United States of America

I've been elected to rock your asses til midnight
This is my term, and I've jammed out my perm, but it's all right
I solemnly swear to uphold the Constitution
Got a rock and roll problem?
Well we got the solution

Set and see who I am
Let me kick out the jams, yeah
Kick out the jams
I done kicked em out

I've been selected to orbit the planet in a rocket
I'm going to mars, I got a message for the poodle in your pocket
Mission Control, calling supernova
The (nightlife's) rockin', you can come on over

And let us see who we am,
Let me kick out the jams, yeah
Kick out the jams
I done kickedem out
