

# Someone To Save You

## OneRepublic

Patience took you for everything  
Looked like a diamond ring  
You are so much longer  
That made sense Apathy in disguise  
Crept on you like a spy  
Hurt you in ways  
You cant describe Back to the start now  
I wont let you go this way now Honesty is what you need  
It sets you free like someone to save you  
Let it go but hurry now  
There's undertow and I dont wanna lose you now Alright, sit down and spill your heart  
Let's start from the very start  
'Cause I can see by your eyes  
Youre wasted Your energy comes and goes  
You taking your time, you know  
Nothing can change what happened So, back to the start now  
I wont let you go this way now Honesty is what you need  
It sets you free like someone to save you  
Let it go but hurry now  
There's undertow and I dont wanna lose you now  
Dont wanna lose you now, now Oh, my, look at your bright stars fade so  
How much can you take? Honesty is what you need  
It sets you free like someone to save you  
Let it go but hurry now  
There's undertow and I dont wanna lose you Someone to save you  
Someone to save you  
Someone to save you Save you, save you  
Someone to save you  
What you need is  
Someone to save you
