I Didn't Know My Own Strength

Lorrie Morgan

I've been living with a heart on the mend
Wondering how will I ever be strong
I know I'll live to love again
I just leaned on you too longIt's been an uphill fight
But I'm gonna to be alrightI didn't know my own strength
Till I had to pick myself up
And carry on without your love
I'm getting back on my feet
It's been a long hard fall
But I'll make it after all
No, I didn't know my own strengthI've had oceans of tears to get through
And the weight of the world on my mind
There's been mountains of memories to lose
And I've been beating back the blows to my prideBut till the times got tough
I never knew what I was made ofI didn't know my own strength
Till I had to pick myself up
And carry on without your love
I'm getting back on my feet
It's been a long hard fall
But I'll make it after
No, I didn't know my own strengthThen the times got tough
And I knew what I was made ofI didn't know my own strength
Till I had to pick myself up
And carry on without your love
I'm getting back on my feet
It's been a long hard fall
But I'll make it after
No, I didn't know my own strength
