Mr Radio

Electric Light Orchestra

Hello Mr. Radio, your friendly station
So glad I am your company, your morning musicMy wife she ran away, she left our home
And though you're here with me, I'm on my ownHello Mr. Radio, You friendly speaker
You played my request today, request to see herYour voice comes riding home, across the air
You travel 'round the world, but still you're hereI heard on the news today, the world is (no) good
But if she returned today, mine could be so goodI look into the sky, your waves rush by
The weather man has lied, it makes me cryHello Mr. Radio, do I disturb you
Sometimes, I forget my place, I seem to know youI miss you when you close, you'll never know
And when your programmers go, I'm om my own
