Through Being Cool

Bacalao

We're through being cool
We're through being coolEliminate the ninnies and the twits
Going to bang some heads
Going to beat some butts
Time to show those evil spuds what's whatIf you live in a small town
You might meet a dozen or two
Young alien types who step out
And dare to declareWe're through being cool
We're through being coolSpank the pank who tried to drive you nuts
Time to clean some house
Be a man or a mouse
Waste those who make it tough to get aroundIf you live in a big place
Many factions underground
Chase down Mister Hinky Dink
So no trace can be foundIf you live in a big place
Many factions underground
Chase down Mister Hinky Dink
So no trace can be foundWe're through being cool
We're through being coolEliminate the ninnies and the twits
Put the tape on erase
Rearrange a face
We always liked Picasso anywayIf you live in a small town
You might meet a dozen or two
Young alien types who step out
And dare to declareWe're through being cool
We're through being coolEliminate the ninnies and the twitsWe're through being cool
We're through being coolSpank the pank who tried to drive you nuts
Mash 'emWe're through being cool
We're through being cool
