

# Through Being Cool

## Bacalao

We're through being cool  
We're through being coolEliminate the ninnies and the twits  
Going to bang some heads  
Going to beat some butts  
Time to show those evil spuds what's whatIf you live in a small town  
You might meet a dozen or two  
Young alien types who step out  
And dare to declareWe're through being cool  
We're through being coolSpank the pank who tried to drive you nuts  
Time to clean some house  
Be a man or a mouse  
Waste those who make it tough to get aroundIf you live in a big place  
Many factions underground  
Chase down Mister Hinky Dink  
So no trace can be foundIf you live in a big place  
Many factions underground  
Chase down Mister Hinky Dink  
So no trace can be foundWe're through being cool  
We're through being coolEliminate the ninnies and the twits  
Put the tape on erase  
Rearrange a face  
We always liked Picasso anywayIf you live in a small town  
You might meet a dozen or two  
Young alien types who step out  
And dare to declareWe're through being cool  
We're through being coolEliminate the ninnies and the twitsWe're through being cool  
We're through being coolSpank the pank who tried to drive you nuts  
Mash 'emWe're through being cool  
We're through being cool
