Is This What I Get for Loving You

Marianne Faithfull

There's been a lot of talk around
That you've been seen with a certain Barbie
And now I'm so afraid I'm losing youOh baby, don't tell me you don't want my love
I couldn't give it to just anybody
Baby, won't you tell me it's not true?Don't leave me baby
Don't tell me it's over after I trusted you
And did my best to make you happyIs this what I get for loving you, baby?
Is this what I get for loving you, baby?
There was a night when you held me tight
You said you'd always love me
You said you'd never hurt meWhat would there be left for me?
It's such a cruel world to be alone in
I always needed you to look out for meAnd baby, I'm gonna miss your lovely arms
They're the only arms I feel at home in
Don't you know how lonely I'm gonna be?Don't leave me baby
Don't tell me it's over after I trusted you
And did my best to make you happyIs this what I get for loving you, baby?
Is this what I get for loving you, baby?
There was a night when you held me tight and
You said you'd always love me
You said you'd never hurt meDon't leave me, baby
Is this what I get for loving you, baby?
Is this what I get for loving you, baby?
There was a night when you held me tight and
You said you'd always love me
You said you'd never hurt me
