

# Wouldn't It Be Good

## Cascada

Remember the day, there was a sign, it was the time  
And to take me away into your arms  
I heard your voice, you called my name  
A single touch would stop my pain  
I feel like you in everything I do  
Wouldn't it be good to be in your shoes?  
Even if it was for just one day  
Wouldn't it be good if we could wish ourselves away?  
And wouldn't it be good to be on your side  
The grass is always greener over there  
Wouldn't it be good if we could live without a care?  
The time's passing by I feel like you, I always do  
You're my place to hide, I don't know why

Still hear your voice, still feel the same  
A single kiss can stop the rain  
So close to you in everything I do  
Wouldn't it be good to be in your shoes?  
Even if it was for just one day  
Wouldn't it be good if we could wish ourselves away?  
And wouldn't it be good to be on your side?  
The grass is always greener over there  
Wouldn't it be good if we could live without a care?  
Wouldn't it be good to be in your shoes?  
Even if it was for just one day  
Wouldn't it be good if we could wish ourselves away?
