Devil

Gothminister

Hey Devil
What is you plan to day
I didn't ask for it to be like this
Hey Devil is it never enough for you
Or won't you quit 'til I'm on my kneesYou make it really hurt when everything is doomed and there's no salvation
I knew a man who lived twothousand years of your life
Meet the Devil
Living on the edge of craving pain
I didn't know it felt so good to hate you
Fear is growing stronger, bolder only halfway to the pain
When love is dead I'll come for you
Meet the devil
Meet the devil
Meet the devilWhen love is dead I'll come for you(Mumbuling in background)Hey Devil, am I the chosen one
Cause I'm craving n' I think I know the truth
Hey would you enjoy the fanatic oneYou make it really hurt when everything is doomed and there's no salvation
I knew a man who lived twothousand years of your life
Meet the Devil
Living on the edge of craving pain
I didn't know it felt so good to hate you
Fear is growing stronger, bolder only halfway to the pain
When love is dead I'll come for you
Meet the devil
Meet the devil
Meet the devilWhen love is dead I'll come for you
