

# You Got It

Lucas Grabeel

Let's do it! You got it, you got it  
You got it, you got it good  
Come on now, take your best shot  
You got it, you got it good  
Come on now, hit it right on the dot You got it good, come on now  
Give it all you got  
You got it so good  
Make this dance floor hot You got it, yes, you got it  
Oh you got it, oh you got it good  
Come on now, just take your best shot  
You got it so good, come on now  
Just hit it on the dot Oh and you got it so good, give it all that you got  
Oh and you got it so good, make this dance floor hot  
You got it Make the dance floor hot  
The dance floor hot  
The dance floor hot  
The dance floor hot (You got, got it)  
The dance floor hot  
(You got, got it)  
The dance floor  
Make the dance floor, make the dance floor  
Make this dance floor hot Make the dance floor hot  
(You got, got it)  
(You got, got it)  
The dance floor hot  
(You got, got it)  
The dance floor  
(God I've got to, got to have it so good)  
You got it, you got it  
Come on now, take your best shot  
You got it Oh you got it so good, hit it on the dot  
Oh you got it so good, give it all that you've got  
Yeah you got it so good, make this dance floor hot You got, you got, got it  
Got, got it, got, got, got it  
You got it, got it, god I've got to got to have it Make the dance floor hot  
(You got, got it)  
(You got, got it)  
The dance floor hot  
(You got, got it)

The dance floor hot  
(God I've got to got to have it)  
The dance floor Show me what you got, girl  
You gotta make this dance floor hot  
Come on, you're gonna fly away in a rocket  
'Cause girl I know you got it Make the dance floor hot  
(You got it)  
The dance floor hot  
(Oh you got it)  
The dance floor hot  
(Oh you got it)  
Make the dance floor hot  
(Oh you got it good)  
Come on now, just take your very best shot You gots it
