

# Fifteen Minutes Old

## Snow Patrol

I'm good for inspiration, aren't I?  
You will find, well, close the door  
And I'll go anywhere you take me to  
From this bed onto so much more  
Care for you, I will  
Can I have a picture of you tonight?  
Keep it with me always in my mind  
Touch me 'cause I can't move, I can barely breathe  
Speechless, breathless, I can't tell you if I'm here or not  
Running, both legs tied together  
Arms in the air  
Care for you, I will  
Can I have a picture of you tonight?  
Keep it with me always in my mind  
Care for you, I will  
Care for you
