Cog

(inch to inch to inch to inch)
Dreamed of war
Crowned inhorns
Drowned out, churned out
Drowned out, churned out
I will not give an inch to gain-a
I will not give an inch to gain-a
I will not give an inch to gain-a
An inch to gain-a
Dreamed of war
Crowned inhorns
Drowned out, churned out
Drowned out, churned out
I will not give an inch to gain-a
I will not give an inch to gain-a
I will not give an inch to gain-a
An inch to gain-a
I will not give an inch to gain
I will not give an inch to gain
I will not give an inch to gain-a oh
Dreams of war!
Cherish my days
Cherish my days
Cherish my days
Cherish my days
I scored
Dream, dream, dream
Wipe that smile off your face
Wipe that blood off your face
Dreamed of war
I will not give an inch to gain-a
Crowned in thorns
I will not give an inch to gain-a
Dreamed of war
I will not give an inch to gain-a
Crowned in thorns
I will not give an inch to gain-a
