Thorn In My Pride

Dizzy Mizz Lizzy

(Track 1 on "Rotator")Bring me water
Bring me something shorter
Bring me anything I need
Take my power
Take my darkest hour
Take my non existent greedThorn in my pride
Thorn in my pride
When you're by my side
A thorn gets in my prideI deny you
If I cannot hide you
It's a shame but it's the truth
So stop your cryin'
'cause blame it on my youthThorn in my pride
Thorn in my pride
When you're by my side
A thorn gets in my prideLyrics by Tim Christensen
