When I See Your Face

Liz Longley

Slept in too late, woke up
To your face on my pillow
Everything I'd said I'd do today
Guess I'll have to get it done tomorrow
Well, the world can wait
And the sun's peeking in
Wondering if we're ever coming out again
But I'd be just fine, staying in
With you here by my side
Because you light up every day
When I see your face
I wanna put you in a polaroid
Hang it on a wall and
Never let you get away, boy
Oh, what you do to me
When I see your face
I wanna waste away the afternoon
Underneath the covers
Till they cover every inch of you
Oh, what you do to me
Some say it's crazy, but I say it's love
I was never like this
Used to rise and shine in the morning
Before you came along
My life was stiff and boring
Now I'll never be the same
Because when I see your face
I wanna put you in a polaroid
Hang it on a wall and
Never let you get away, boy
Oh, what you do to me
When I see your face
Wanna waste away the afternoon
Underneath the covers till
They cover every inch of you
Oh, what you do to me
Some say it's crazy, but I say it's love
Oh, I thought love was dangerous
You tempted me with your sweet kiss

I thought I was going down
But you pick me up every day
Lift me up, it seems that I
Just can't get enough
I'm never walking away
Because when I see your face
I wanna put you in a polaroid
Hang it on a wall and
Never let you get away, boy
Oh, what you do to me
When I see your face
Wanna waste away the afternoon
Underneath the covers till
They cover every inch of you
Oh, what you do to me
Some say it's crazy, but I say it's love
I say it's love, when I see that
When I see that, when I see your face
I'm gonna put you in a polaroid, boy
I'm gonna put you in a polaroid, boy
When I see your face
