

# Yes I Do

## Rascal Flatts

Ooh, ooh, ooh, ooh Do I cry in the night?  
Do I long to hold you tight?  
Do I wake wanting you?  
Yes I do Do I recall every day?  
How you took my breath away?  
Do I remember loving you?  
Yes I do Yes, I do dream of all we had together  
Guess its true, we lost it all forever  
And do I pray anyway?  
Yes, I do I dont live in the past  
Wanting love that wouldnt last  
And I dont ache like I used to  
Yes, I do Yes, I do dream of all we had together  
Guess its true, we lost it all forever  
Do I pray anyway?  
Yes, I do Yes, I do dream of all we had together  
Guess its true, we lost it all forever  
Do I pray anyway?  
Yes, I do Yes, I do and do I pray?  
Yes, I do dream of all we had together  
Yes, I do and yes, I do
