Carnival Time

Al Johnson

The Green room is smokin'
And the Plaza's burnin' down
Throw my baby out the window
And let the joint burn down

All because it's Carnival Ti-i-ime
Whoa, it's Carnival Time
Oh well, it's Carnival Time
And everybody's havin' fun

Claiborne Street is a-rockin'
From-a one side to the other
The joints are jammin', packin'
And I'm about to smother

All because it's Carnival Ti-i-ime
Whoa, it's Carnival Time
Oh well, it's Carnival Time
And everybody's havin' fun

Right now, it's Carnival Ti-i-ime
Whoa, Carnival Time
Oh well, it's Carnival Time
And everybody's havin' fun

Well, if you put your nickel
Well now, I'll put a dime down
We can get together now
And drink us some wine

All because it's Carnival Ti-i-ime
Whoa, it's Carnival Time
Oh well, it's Carnival Time
And everybody's drinkin' wine
