

It's All Over

Reckless Kelly

Come closer don't stand so far
Can't reach you where you are
You grow farther every day
I came by I tried to care
Baby it better that you weren't there
Cause I don't know what to say anyway

By now your gone
Can't believe it took so long
I'd knew we'd never stick it out
It's all over it's all over darling

It's all over now
What was I thinking of
Should have just given up
When I thought that I might lose you

Goodbye baby so long
I've proved myself wrong
I'll never hold a girl like you

By now your gone
Can't believe it took so long
I'd knew we'd never stick it out
It's all over it's all over darling
It's all over now

It's all over
It's all over darling
It's all over now
