

There Goes My Baby

Donna Summer

All alone I sit, looking out of the window
And the rain just keeps coming on down
Well I cry to myself, so many things that I have done wrong
Now I'm watching you, walk out There goes my baby
Moving on down the line
Wonder where, wonder where
Wonder where he is bound I broke his heart
And made him cry
Now I'm alone, so all alone
What can I do? What can I do?
What can I do? Said I'll sing this sad, sad song Oh yeah, I broke his heart and I made him cry
Oh I'm alone, so all alone
What can I do? What can I do? Where is he going? How is he?
What is he gonna do
Where is he going?
And what on earth could he be going through Oh, there goes my baby
Moving on down the line
Wonder where, wonder where
Wonder where he is bound I broke his heart
And made him cry
Now I'm alone, so all alone
What can I do? What can I do? Where is he going? How is he?
What is he gonna do
Where is he going?
And what on earth could he be going through Oh, there goes my baby
Moving on down the line
Oh yeah baby
Come on, come I broke his heart
And made him cry
Now I'm alone, so all alone
What can I do? What can I do? Sing this song forever
Till we're back together
Oh, oh, oh
