Table Dancer

Keshia Chante

Thank you DJ for playing my song
Put that shit on replay, all night long
Hey bartender, better move those bottles, better clear those tables
'Cause they 'bout to be filled with models
(DJ, DJ)
Put that shit on
(Replay, replay)
Spin it all night long
'Cause I'll be table dancing
This is your chance to be with me and you will see
Up on the table dancing that's where romance is

If you're with me and you will see, say
Whoa, oah, oah, oah, oah, oh
Whoa, oah, oh, woah, oah, oh
Whoa, oah, oah, oah, oah, oh
Whoa, oah, oh, woah, oah, oh
Come on closer into my world
Show you all the reasons why I'm your favorite girl
Be-be-beside me, don't let me fall
Just hold me close and don't let go until last call
