

# Miss You

James Hersey

Show me  
What it means to be yours  
What it means to be more, more  
What it means to be more, ah Show me  
What a difference you make  
What a word that you say now could mean when it's over, and it comes time for change Cause I'm gonna miss  
you  
I'm gonna miss you when you're gone  
I'm gonna miss you  
I'm gonna miss you when you're gone, ah  
Show me  
How to get what you give  
How to let go and live, live  
How to let go and live, ah Show me  
What a life this could be  
What a promise you make now could mean when the day comes  
That everything you see  
Is without me Cause I'm gonna miss you  
I'm gonna miss you when you're gone  
I'm gonna miss you  
I'm gonna miss you when you're gone, ah  
Cause I'm gonna miss you  
I'm gonna miss you, ah  
I'm gonna miss you  
I'm gonna miss you, ah  
I'm gonna miss you  
I'm gonna miss you  
I'm gonna miss you
