# 8 Seconds

## Texas Hippie Coalition

Cause I'm like an old rodeo bull
Awaiting on someone to shout fool
I'll knock the cowboy right outta his boots
I throw you for you make it out the shoot
Looks like you got this bull by the horns
And if I haven't told you, I'm about to throw ya
Chorus:
I'm the carnival act that you came to see
The mother$%^& reason that you spent your money
We're so sorry for the nominal fee
But nobody rides this bull for free
For even though it may be hard to believe
But I'm about to go buckin' crazy
8 seconds, 8 seconds
'Cause I'm the bull that can't be rode
An animal that won't do as he's told
And I don't mean as to be so bold
But you be known that I'm the first in show
Looks like you got this old bull by the horns
but if I haven't told you I'm about to throw ya
Chorus:
I'm the carnival act that you came to see
The mother$%^&* reason that you spent your money
We're so sorry for the nominal fee
But nobody rides this bull for free
For even though it may be hard to believe
But I'm about to go buckin crazy
8 seconds, 8 seconds
8 seconds.....
Songs will be written... stories told
About the bull that cannot be rode
And the legend will never die
'Cause we belong hold on, hold on
[Chorus:]
8 seconds
