You Cried Wolf

Todd Rundgren & Utopia

You cried wolf once too often
You cried wolf, you made me run
You cried wolf, I caught you bluffing
You'll cry wolf but I'll be goneIf you need someone to love, you only had to ask
Instead you pulled a false alarm baby, just for a laugh
You can have your little joke but when they see what you done
You will holler for assistance and nobody will comeBecause you cried wolf once too often
You cried wolf, you made me run
You cried wolf, I caught you bluffing
You'll cry wolf but I'll be gone
You can threaten me forever with the same old song
But you can toy with my emotions baby, only so long
Because the very next time, I see you talk through your hat
You will get no more attention, I can promise you thatBecause you cried wolf once too often
You cried wolf, you made me run
You cried wolf, I caught you bluffing
You'll cry wolf but I'll be gone
You cried wolf
You cried wolf
You cried wolf
