Right Here Right Now (My Heart Belongs to You)

Agnes

Take my hand and walk with me
Let me show you what I'm feeling
What's going on inside of me

Don't you know you have changed me?
Don't you know my wishes all came true?
You're my angel, now I want to do it all for you

Right here, right now
Nothing is impossible
Right here, right now
I'm running on a miracle
I've seen you're face, I feel your love
And there's nothing I can do
Right here, right now
My heart, my heart belongs to you

Feels like yesterday to me, yeah
When you pass outside my window
How you're vision caught my eye, yeah

Like in only forever
Something made you turn and look at me
In a heartbeat, I knew my destiny

Right here, right now
Nothing is impossible
Right here, right now
I'm running on a miracle
I've seen you're face, I feel your love
And there's nothing I can do
Right here, right now
My heart, my heart belongs to you

For now and for always
You'll be the one I love
You'll be the one I turn to

Ohhh
Right here

(Right here, right now)
(Nothing is impossible)
Right here, right now
I'm running on a miracle
I've seen you're face and I feel your love
And there's nothing I can do
(Right here)
Right now
My heart belongs to you

My heart belongs
My heart belongs
My heart belongs to you, ohhh

I've seen you're face and I feel your love
And there's nothing I can do
Right here, right now
My heart, my heart belongs to you
My heart belongs to you
