Stay

Alison Krauss & Union Station

Where have you been,
My long lost friend?
It's good to see you again.
Come and sit for a while
I've missed your smile
Today the past is goodbye.
Time can't erase
A lover's embrace.
Can't you hear it calling?
A new day dawning
You were longing to find.Love's taken you far
Away from my heart,
And I've been here all alone.
Have your eyes failed to find
What took you from mine,
A vision that's faded through time?
But you sailed away,
A fine summer's day,
Cause you heard it calling,
A new day dawning,
You were longing to find.There is a way to make you stay.
Darlin' don't turn away
Don't doubt your heart
and keep us apart
I'm right where you are
StayThere is a way to make you stay.
Darlin' don't turn away.
Don't doubt your heart
and keep us apart
I'm right where you are
Stay
