Wildest Moments

Jessie Ware

You and I - bloodlines
We come together every time
Two wrongs, no rights
We lose ourselves at nightFrom the outside, from the outside
Everyone must be wondering why we try
Why do we tryBaby in our wildest moments
We could be the greatest, we could be the greatest
Baby in our wildest moments
We could be the worst of all
Baby in our wildest moments
We could be the greatest, we could be the greatest
Baby in our wildest moments
We could be the worst of allWait on, thunder sky
Wherever theres smoke, there'll soon be fire
What could bring bad luck
Ive been looking at you too muchFrom the outside, from the outside
Everyone must be wondering why we try
Why do we tryBaby in our wildest moments
We could be the greatest, we could be the greatest
Baby in our wildest moments
We could be the worst of all
Baby in our wildest moments
We could be the greatest, we could be the greatest
Baby in our wildest moments
We could be the worst of allIn the middle of it
We walk, we walk the line
Looking back i miss it
Our wildest moments
Are you thinking what if
What if we ruined it all
My wrecking ballFrom the outside, from the outside
Everyone must be wondering why we try
Why do we tryBaby in our wildest moments
We could be the greatest, we could be the greatest
Baby in our wildest moments
We could be the worst of all
Baby in our wildest moments
We could be the greatest, we could be the greatest
Baby in our wildest moments

We could be the worst of all
