

A Marshmallow World

Bing Crosby

It's a marshmallow world in the winter
When the snow comes to cover the ground
It's the time for play, it's a whipped cream day
I wait for it the whole year round. Those are marshmallow clouds being friendly
In the arms of the evergreen trees
And the sun is red like a pumpkin head
It's shining so your nose won't freeze. The world is your snowball, see how it grows
That's how it goes whenever it snows
The world is your snowball just for a song
Get out and roll it along
It's a yum-yummy world made for sweethearts
Take a walk with your favorite girl
It's a sugar date, what if spring is late
In winter it's a marshmallow world. (It's a marshmallow day in the winter
When the snow comes to cover the ground)
It's the time for play, it's a whipped cream day.
(And we wait for it the whole year round.) Just you remember:
Those are marshmallow clouds being friendly
(In the arms of the evergreen trees)
And the sun is red like a pumpkin head
(It's shining so your nose won't freeze.) You must remember
The world is your snowball, see how it grows
That's how it goes whenever it snows
The world is your snowball just for a song
Get out and roll it along
It's a yum-yummy world made for sweethearts
Take a walk with your favorite girl
It's a sugar date, what if spring is late
In winter it's a marshmallow world. In winter it's a marshmallow world. In winter it's a marshmallow world.
