

# Perfect Timing (This Morning)

[Orba Squara](#)

The street lights start to fade away  
I see the quiet on you when you're sleeping  
Probably dreaming dayWe had the perfect timing  
Because this morning is the perfect morning  
Every morningThe afternoon is on its way  
I'm looking forward to the day that's coming  
Good like yesterday  
It was the perfect timing  
Because tomorrow is the perfect morning  
Every morning
