The Only Ones

Reamonn

Reamonn - The Only OnesSweet the hands that
Laid me to the ground
Sweet the voice that
Makes the sweetest soundAnd I won't go down
I won't go down
On my knees
There's just you and me
We are the only onesI've heard of love that
Inside she makes you strong
In your arms is where I
I Feel I belongAnd it's only
If you want it
I'll be gone
There's just you and me
We are the only onesIt's a brand new day
We'll take it as it comes
There's nothing left to say
Cause it's all been said and doneAnd if the lights go out
We'll be the burning sun
There's just you and me
We are the only onesThere's just you and me
If we hold on tight
We'll make it through the night
Just you and me
We are the only onesAnd if the lights go out
We'll be the burning sun
And In the Darkest of nights
We'll be the only ones
And If we hold on tight
We'll make it through the night
There's just you and me
We are the only ones
And there's just you and me
We are the only ones
